

Presented by Gwinnett County Public Library and UGA Extension Gwinnett

Aging With A Healthy Brain

Alzheimer's and Dementia Prevention

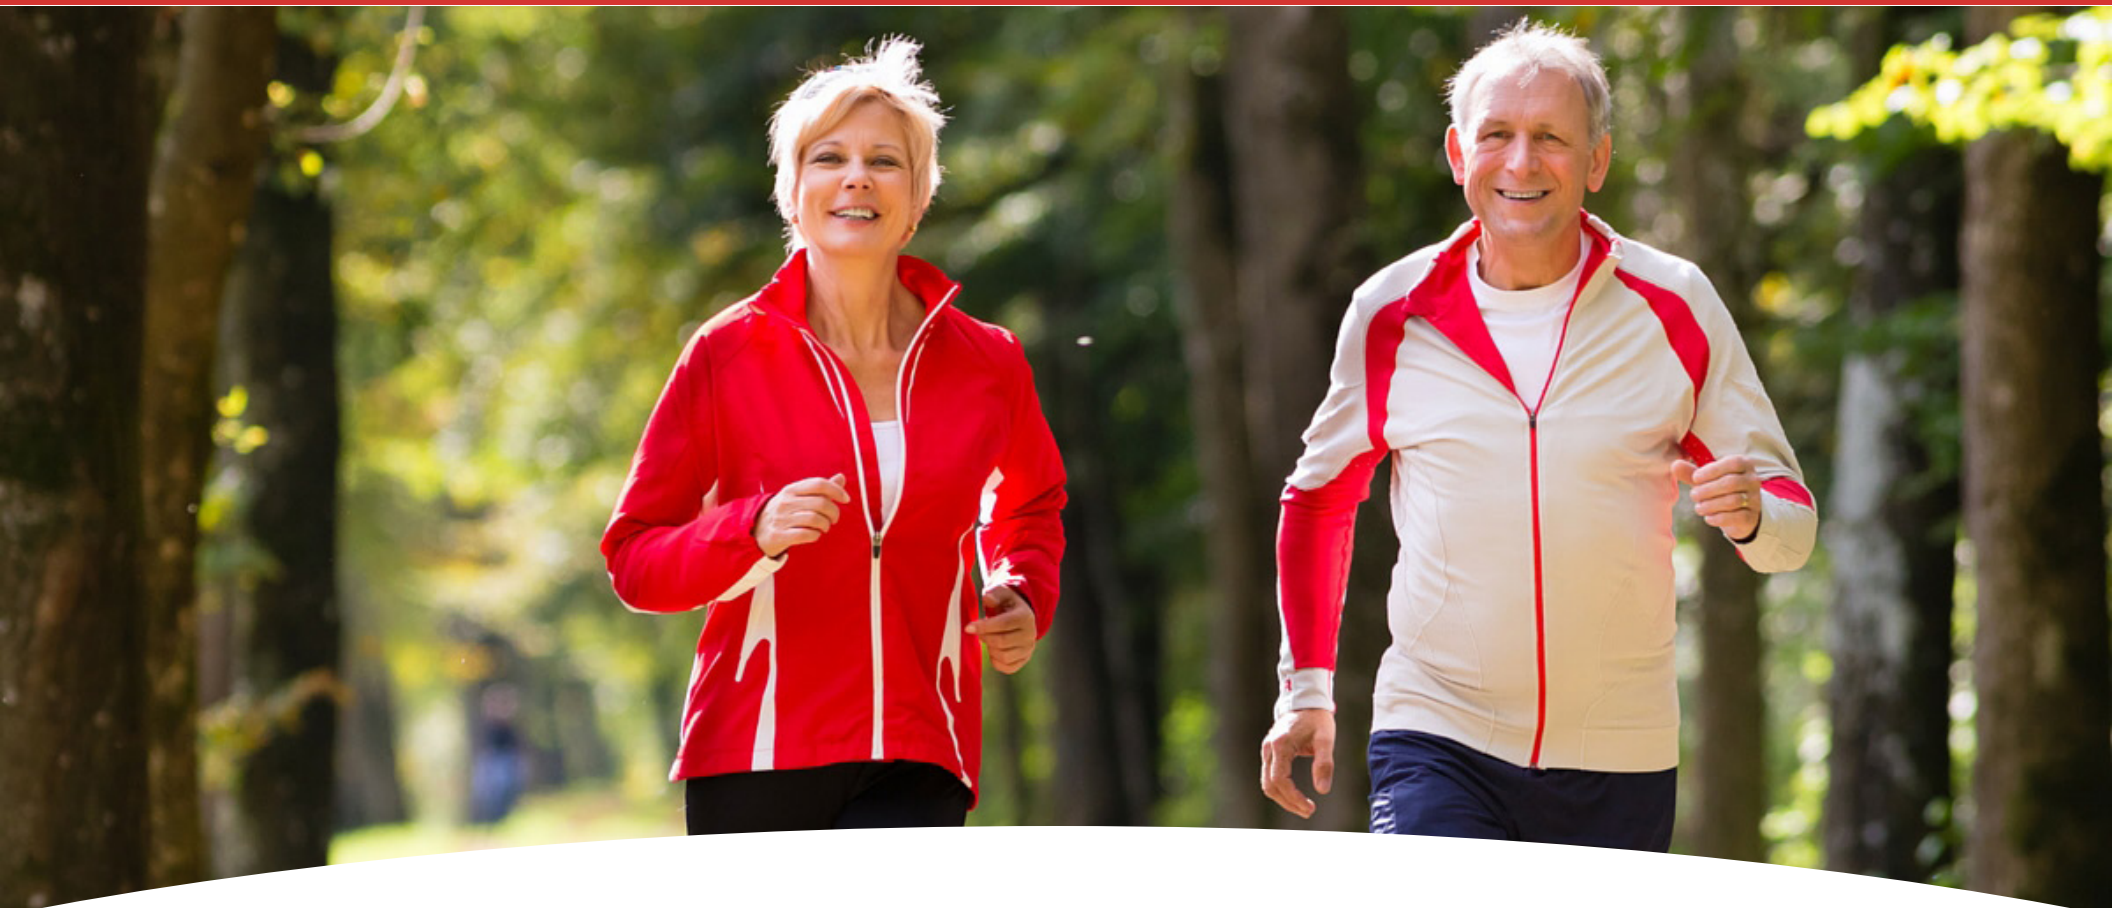

Tuesday, April 24 at 6:30 pm: Five Forks Branch
2780 Five Forks Road, Lawrenceville, GA 30043

According to the Alzheimer's Association, the majority of people with Alzheimer's is 65 and older, but approximately 200,000 Americans under the age of 65 have or are at risk of early-onset Alzheimer's.

Join Family & Consumer Science Agent Ines Beltran to learn about ways to prevent Alzheimer's and other types of Dementia.

Take a personal assessment to determine your risk for developing Alzheimer's or other types of Dementia.

This Program is Free and Open To The Public
